Re: Jolly Pit #3; M-2016-075

Dear Mr. Cazier:

This letter corresponds to the aforementioned Limited Impact (110) Operation Reclamation Permit Application for consideration in Cheyenne County, Colorado. We are requesting an extension because we have not received all the certified return receipts for the notice to landowners and mineral owners. We are requesting an extension date of March 3, 2017 to have ample enough time to receive the remaining receipts for proof of mailing the notice.

Thank you for your time regarding this matter. If you have any questions or concerns, please do not hesitate to contact this office at the address, phone number or email address listed above.

Sincerely,

A handwritten signature in black ink that reads 'Marcy L. Brossman'.

Marcy L. Brossman
Cheyenne County Administrator

Rod Pelton, Commissioner Chairman

Nancy Bogenhagen, Commissioner

Patrick J. Ward, Commissioner Vice Chairman
