**RE: Jolly Pit #3; File No. M-2016-075;  
110c Construction Materials Application Decision Date Extension Request Approval**

Dear Ms. Brossman,

On February 15, 2017, the Division of Reclamation, Mining and Safety (Division) received via email, a request to extend the decision date for your permit application to March 3, 2017. The Division hereby approves the extension request.

If you have any questions, you may contact me at (303)866-8567 x8169.

Sincerely,

Timothy A. Cazier, P.E.  
Environmental Protection Specialist
