Attached is an electronic copy of the letters sent to you and the operator.

On Wed, Feb 8, 2017 at 10:42 AM, HB Humphries <hlhumphries2@comcast.net> wrote:
Mr. Ebert, we understand the DRMS found the application complete on February 3ed, 2017 and that the end of the public comment period is 20 days from the date of the last publication. We will provide you that date once we know the date of the first publication. We have not yet received correspondence from the DRMS the application was found complete.

Mr. Humphries,

I have filed this proof of receipt and will have it scanned into Laserfische. Also, you should be receiving a notice that we deemed the AM01 application complete on Friday February 3, 2017. Please initiate the required publication and submit the proof of publication to me.
Thank you,

Jared

Good afternoon Mr. Ebert - Attached is the return receipt green card for proof to delivery of the wildlife statement to the CDPW.

Please make the proof of receipt part of the 112 permit amendment application.
thank you

H B Humphries

PUBLIC NOTICE

Morgan Sand and Gravel, Inc., whose address is 12125 State Highway No. 52, Fort Morgan, Colorado 80701, phone number (970) 867-8074, has filed for an amendment application to its Regular (112) Construction Materials Operation Reclamation Permit with the Colorado Mined Land Reclamation Board under provisions of the Colorado Land Reclamation Act for the Extraction of Construction Materials. The proposed mine is known as the *Westhoff Pit*, and is located at a parcel of land located in the Northeast Quarter of Section 34, Township 5 North, Range 58 West, 6th P.M., Morgan County, State of Colorado.

The proposed date of commencement is April 15, 2017, and the proposed date of completion is April 15, 2031. The proposed future use of the land is rangeland. Additional information and tentative decision date may be obtained from the Division of Reclamation, Mining, and Safety, 1313 Sherman Street, Room 215, Denver, Colorado 80203, (303)866-3567, or at the Morgan County Clerk and Recorder's Office, 231 Ensign Street, Fort Morgan, Colorado 80701, or the above-named applicant. Comments must be in writing and must be received by the Division of Reclamation, Mining, and Safety by 4:00 p.m. on

March 28, 2017.
