Miranda,

The submittal due date for the Seneca II-W and Yoast Mines and the HG Loadout has been extended to 3/24/2017.

Please let me know if you have any questions.

Thanks,
Jason

Jason,

We are in the final stages of the Annual Hydrology reports but still have some reviewing to do. Seneca Yoast Mine, Hayden Gulch Loadout, and Seneca II West Mine would all like to request an extension for the AHR submittal. Please extend the deadline for all to March 24, 2017.

Thanks

Miranda Blomquist
