Hello Mr. Gebhart,

I was curious if the permanent sign has been posted?

Thanks,

Jared

The sign company has not completed the metal sign for the Bollish Pit yet. We have attached a temporary sign for now. Pictures of the temporary sign are attached and I will send pictures of the permanent sign when it is complete.

Hello Mr. Gebbhart,

I apologize, I just saw that I had a voicemail on my cell phone from you regarding a question you had about financial warranty paperwork. I spoke with Barbara Coria and she indicated that she was able to help you. Please let me know if you need anything else.

Thanks,
