**Re: Cresson Project, Permit No. M-1980-244, Amendment Approval, Revision No. AM-11
Request for Performance Warranty**

Dear Mr. Henris:

On February 8, 2017 the Division of Reclamation, Mining and Safety approved the Amendment application submitted to the Division on December 17, 2015, addressing the following:

Incorporates areas of Poverty Gulch (incl. EMP Pond 9A) and adds underground mining methods with related changes to AGVLF and ECOSA

It has come to the Division's attention that a replacement Performance Warranty was not requested in the February 8, 2017 approval letter. Please sign the enclosed Performance Warranty and return it to the Division for the Director's signature. Once the Director signs it, the completed Performance Warranty will be returned to you.

**PLEASE NOTE THAT AM-11 MINING OPERATIONS MAY NOT COMMENCE UNTIL
AFTER THE DIVISION RECEIVES YOUR FINANCIAL WARRANTY AND PERFORMANCE
WARRANTY.**
