Attached are the remaining public notices and a structure agreement for the Morgan Sand and Gravel Permit Amendment. Note: the adjacent property owners shows 6 green cards. There are only three adjacent property owners. The second page is a duplicate.
thanks

Mr. Humphries,

I have filed this proof of receipt and will have it scanned into Laserfische. Also, you should be receiving a notice that we deemed the AM01 application complete on Friday February 3, 2017. Please initiate the required publication and submit the proof of publication to me.
Thank you,

Jared

SECTION 00020 INVITATION TO BID CITY OF BRUSH!

EMERSON STREET ROAD REPAIR

Sealed bids for the Emerson Street Road Repair shall be received by the OWNER, City of Brush! located at 600 Edison Street Brush, Colorado 80723 until 11:00 AM., local time, March 3, 2017, at which time the bids will be publicly opened and read aloud at the same location.

The Contract Documents consisting of a Project Manual and Drawings may be obtained by either electronic documents on-line on and after 2:00 P.M., Wednesday February 8, 2017. Complete electronic Project Plans, Project Specifications, and Bid Proposal Packet are available at the JDS-Hydro Consultants, Inc. website "www.jdshydro.com", click on the "Browse Current Projects" link and select this project from the project list. Documents cannot be downloaded or printed without purchasing. To purchase and download the project documents in pdf format, click "Download Project PDF" and sign on to QuestCDN.com or join for a free membership. Plan documents can be downloaded for a fee of \$10.00. Please contact QuestCDN at 952-233-1632 or email "info@questcdn.com" for assistance in the free membership registration, downloading, and working with this digital project information. In addition, the Drawings and Project Manual may be examined at the following locations: the office of the consulting engineer, JDS-Hydro Consultants, Inc. and through the City of Brush!. The successful BIDDER will be required to furnish Payment and Performance Bonds and comply with the insurance provision as specified by the Contract Documents. A 5% Bid Bond will be required.

A description of the work to be performed generally includes: removal of 2235 SY of asphalt; excavation of 466 CY of subgrade; preparation of subgrade, including scarification to a depth of 12"; addition of 148 tons Class C fly ash, and recompaction; placement and compaction of 2235 SY of aggregate base course to a depth of 6"; and paving with 2235 SY of asphalt (Grading S or SX) to a depth of 4". Included is all site work, erosion control, traffic control, construction surveying, installation, and incidental work required to complete the Work as specified in the Drawings.

Qualifications to the BIDDER should include: experience in asphalt paving, ability to obtain necessary permits for construction, ability to post performance and payment bonds, and ability to deliver the work in conformance with specifications within the contract time. A mandatory pre-bid meeting is set for 12:00 PM, February

15, 2017, at 12:00 PM, local time, at the same location. The Contract Documents consisting of a Project Manual and Drawings may be obtained by either electronic documents on-line on and after 2:00 P.M., Wednesday February 8, 2017. Complete electronic Project Plans, Project Specifications, and Bid Proposal Packet are available at the JDS-Hydro Consultants, Inc. website "www.jdshydro.com", click on the "Browse Current Projects" link and select this project from the project list. Documents cannot be downloaded or printed without purchasing. To purchase and download the project documents in pdf format, click "Download Project PDF" and sign on to QuestCDN.com or join for a free membership. Plan documents can be downloaded for a fee of \$10.00. Please contact QuestCDN at 952-233-1632 or email "info@questcdn.com" for assistance in the free membership registration, downloading, and working with this digital project information. In addition, the Drawings and Project Manual may be examined at the following locations: the office of the consulting engineer, JDS-Hydro Consultants, Inc. and through the City of Brush!. The successful BIDDER will be required to furnish Payment and Performance Bonds and comply with the insurance provision as specified by the Contract Documents. A 5% Bid Bond will be required.

A description of the work to be performed generally includes: removal of 1465 LF of curb; removal and milling of 5217 SY of asphalt and removal of base material to a depth of 12"; reconditioning of 5217 SY of subgrade to a depth of 9"; placement and compaction of asphalt millings to a depth of 7"; paving with 1435 tons of asphalt (Grading S or SX); construction of 1465 LF of Type 6 (Section M) bituminous curb; marking the road centerline and curb with 26 gallons of epoxy pavement marking; and placement of 30 SF of preformed thermoplastic pavement marking. Included is all site work, erosion control, traffic control, construction surveying, installation, and incidental work required to complete the Work as specified on the Drawings.

Qualifications to the BIDDER should include: listed as a CDOT pre-qualified contractor. A mandatory pre-bid meeting is set for 10:00 AM, February 23, 2017 at 600 Edison Street Brush, CO 80723. This project is being funded by a Federal Aid grant through the US Department of Transportation Federal Highway Administration. Prospective Bidders will be expected to provide extensive financial documentation of work during construction for government verification of funds used. In addition, Davis Bacon wages will apply to the proposed project. The DBE participation goal for this project is 2.0%.

The OWNER reserves the right to waive any irregularities or to waive any technical defects in the bidding process as the best interest of the OWNER may be served. The OWNER also reserves the right to reject any and all bids. Basis of award will be the lowest responsive and responsible Bid as determined by the OWNER.

may appear at the office of the Board at this time, and show cause, in writing, why this petition should not be granted. Additional information about the Petition may be obtained from the District's Secretary either at the District's office or by calling 970-867-2222.

BIJOU IRRIGATION DISTRICT
By: Denise M. Wagner, Secretary
Published: Fort Morgan Times Feb.
15, 22, 2017, March 1, 2017 - 1267821

PUBLIC NOTICE

Morgan Sand and Gravel, Inc., whose address is 21215 State Highway No. 52, Fort Morgan, Colorado 80701, phone number (970) 867-8074, has filed for an amendment application to its Regular (112) Construction Materials Operation Reclamation Permit with the Colorado Mined Land Reclamation Board under provisions of the Colorado Land Reclamation Act for the Extraction of Construction Materials. The proposed mine is known as the Westhoff Pit, and is located at a parcel of land located in the Northeast Quarter of Section 34, Township 5 North, Range 58 West, 6th P.M., Morgan County, State of Colorado.

The proposed date of commencement is April 15, 2017, and the proposed date of completion is April 15, 2031. The proposed future use of the land is rangeland. Additional information and tentative decision date may be obtained from the Division of Reclamation, Mining, and Safety, 1313 Sherman Street, Room 215, Denver, Colorado 80203, (303)866-3567, or at the Morgan County Clerk and Recorder's Office, 231 Ensign Street, Fort Morgan, Colorado 80701, or the above-named applicant. Comments must be in writing and must be received by the Division of Reclamation, Mining, and Safety by 4:00 p.m. on March 28, 2017.

7:00 p.m., or as soon as possible thereafter, in the Hearing Room of the Morgan County Commissioners at Fort Morgan, Colorado, or at such time and place as this hearing may be adjourned, a public hearing will be held upon the application on file with the County Planning Administrator, 231 Ensign Street, Fort Morgan, Colorado 80701, (970) 542-3526 by J.L. Duckworth and Francine R. Duckworth as landowners and Pioneer Wireline Services, LLC as applicant for a Special Use Permit pursuant to current Morgan County Zoning Resolution. Said property is zoned "A" Agriculture and is located at 17061 Co Rd 13, Fort Morgan, Colorado 80701.

Legal Description: Parcel located in the SE1/4 of Section 6, Township 3 North, Range 58 West of the 6th P.M., Morgan County, Colorado.

Reason: Special Use Permit to store loaded perforating guns in an approved ATF loaded gun storage area.

Date of Application: January 26, 2017

Documents pertaining to the above identified matters are on file in the Planning Administrator's Office, 231 Ensign St., Fort Morgan, Colorado, and may be examined during regular office hours.

At time of hearing, opportunity will be given for presentation of evidence in support of or in opposition to the application.
