RE: Bluestone Pit; DRMS File No. M-1991-035; Corrective Action Documentation

Dear Ms. Felz,

The Division received your above referenced response to the Compliance Problems in the Division's report of the inspection that was conducted on November 22, 2016. The status of the corrective actions reported by Lafarge West, Inc. in regards to the problems are as follows:

**Compliance Problem 1: Trash and refuse was present at the site.**

This problem is considered abated as a result of the submittal of photographic documentation showing the removal of refuse.

**Compliance Problem 2: Erosion gullies and ruts were observed at the site.**

This problem is considered abated as a result of the submittal of photographic documentation showing the repair of erosion gullies and ruts.

If you have any questions, please contact me at (303)866-3567 x8116.

Sincerely,

Michael A. Cunningham  
Environmental Protection Specialist
