**RE: Wagner Rock Pit, File No.M-1999-018, Receipt of Contruction Material Regular (112)
Operation Reclamation Permit Application CN-1**

Dear Mr. Wagner:

On March 13, 2017, the Division of Reclamation, Mining and Safety (Division) filed your **Construction Material Regular (112) Operation Reclamation Permit Conversion Application** (CN-1) for the Wagner Rock Pit, which is located in Moffat. All comment and review periods began on March 13, 2017. The decision date for your application is scheduled for June 12, 2017.

Within ten (10) days you must publish notice in a newspaper of general circulation in the locality of the proposed mining operation. Immediately after the publication, mail a copy of the notice to all owners of record of surface rights and mineral rights, holders of any recorded easements, and all owners of record of lands that are within 200 feet of the boundary of the affected land. Proof of notice and mailings, such as Certified Mail - Return Receipt Requested, must be submitted to the Division of Reclamation, Mining and Safety prior to the decision date. Additionally, any changes or additions to the application on file in our office must also be reflected in the public review copy which has been placed with the Chaffee County Clerk and Recorder.

The Division is reviewing your application to determine whether it is adequate to meet the requirements of the Mined Land Reclamation Act. We will contact you if additional information is needed.

Please be reminded that all operators must contact the Colorado Department of Health, Water Quality Control Division regarding storm water permits.

If you require additional information, or have questions or concerns, please feel free to contact me. Amy Yeldell at the Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, CO 80203. Direct contact can be made by phone at 970-254-8511 or via email at amy.yeldell@state.co.us

Sincerely,

Amy Yeldell
