Response to Notice of 110c to 112c Construction Materials Reclamation Permit conversion Application Consideration

To: Colorado Division of Reclamation, Mining and Safety
From: Justina P. Mickelson, Physical Science Researcher/Scientist
Date: March 13, 2017
Re: Permit No. M-1990-140
Operator: Duran & Pearce Contractors, Inc., Martin Pit 1-A
Section 13, Twp 6 N, Rng 91 W, 6th P.M.; Moffat County

CONDITIONS FOR APPROVAL

The proposed operation does not anticipate exposing groundwater. Therefore, exposure of ground water must not occur during or after mining operations.

The applicant has not identified any proposed use of water at the permit site. If water will be used for any purpose at this site, the applicant will need to document that the water was obtained from a legal source that allows such industrial use.

COMMENTS:

This office has no objections to the Notice of 110c to 112c Construction Materials Reclamation Permit conversion Application Consideration.

The applicant may contact the State Engineer's Office with any questions.

**RE: Notice of 110(c) to 112(c) Construction Materials Reclamation Permit Conversion
Application Consideration
Duran & Pearce Contractors, Inc., Martin Pit 1-A, Permit No. M-1990-140**

Dear Ms. Johnson:

Please be advised that on February 17, 2017, Duran & Pearce Contractors, Inc., whose address and telephone number are 504 Stock Dr. P.O. Box 1331, Craig, CO 81626; (970) 824-4014, filed an application to convert M-1990-140, Martin Pit 1-A, a 110(c) Limited Impact Construction Materials Permit to a 112(c) Regular Construction Materials Permit. The mining and reclamation operation is located at or near Section 13, Township 6N, Range 91W, 6 Principal Meridian, in Moffat County. The application decision is scheduled for May 18, 2017.

A copy of the application is available for review at the Moffat County Clerk & Recorder's office and at the office of the Division of Reclamation, Mining and Safety, Room 215, 1313 Sherman Street, Denver, Colorado 80203.

If you desire to make comments or objections, they must be submitted within twenty (20) days of the date of the newspaper public notice to be considered in the application review process by the Division. You should contact the applicant for the newspaper publication date. If we do not receive your comments or any objection by the end of the public comment period, the Office will assume you have no objection or comment to the proposed activity

If you have any questions, please contact me.

Sincerely,
