Re: East Rigden Pit, Permit No. M-1979-097, Technical Revision Approval, Revision No. TR-5

Mr. Dustin:

On March 23, 2017, the Division of Reclamation, Mining and Safety (Division) approved your Technical Revision application submitted to the Division on March 10, 2017, addressing the following:

Revise reclamation plan for installation of an underdrain system to remove standing water west of the lined reservoir.

Please submit to the Division the as-built construction drawings for the approved underdrain system after it has been constructed.

The terms of the Technical Revision No. 5 approved by the Division are hereby incorporated into Permit No. M-1979-097. All other conditions and requirements of Permit No. M-1979-097 remain in full force and effect.

If you have any questions, you may contact me by telephone at (303) 866-3567, ext. 8129, or by email at amy.eschberger@state.co.us.

Sincerely,

Amy Eschberger
Environmental Protection Specialist
