Jason -

Hopefully we can wrap it up before then, but I'm fine with extending the decision date to 04/30 -

Good morning Jerry,

I am not sure if you were notified by anyone else, but the Proposed Decision date for the RN-6 application for the Seneca II-W Mine is March 31. Janet has completed the Findings document and it has been sent to Jim Stark's office for review. Jim indicated that an extension to April 30 would be adequate. Would you please submit an extension request to April 30, 2017.

Thanks,  
Jason
