REGARDING THE EMERALD VISTA ESTATES SITE, I HAVE SLOPED ALL THE HIGH WALLS IN 3 TO 1 OR LESS. WE ALSO BROUGHT THE OVERBURDEN DOWN INTO THE BOTTOM OF PIT. MOST ALL THE SLOPES WE HAVE TOP SOILED. WE LEFT A ROAD DOWN INTO THE PIT, ALSO KEPT BURMS UP ON THE SOUTH SIDE OF THE PIT TO PREVENT ANYTHING RUNNING OUT OF THE PIT AREA. PLAN ON KEEPING THEM IN PLACE. WE WILL TRY TO SEED AGAIN IN MAY OF 2017. WE DO NOT PLAN TO DO ANY PROCESSING IN THIS PIT IN THE FUTURE. WE WILL CONTINUE TO MONITOR THIS AREA FOR ANY EROSION. THE EXISTING ROAD WILL BE LEFT FOR ACCESS TO THIS PROPERTY.

THANK YOU,

FRANK LEONE JR.
