The BLM Little Snake Office has received an application from Steve Baker of 3B Enterprises. The application is for a contract to mine mineral materials in the Rock Pit Mine in SW $\frac{1}{4}$ SE $\frac{1}{4}$, sec. 9, T.6 N., R.90 W. This is an existing mineral material pit previously managed by Pioneer Sand. Pioneer Sand's BLM mineral material contract expired in 2010. The surface is private, the minerals belong to the United States. The Little Snake Field Office will be processing 3B Enterprises' application per the regulations found at 43 CFR §3600. 3B Enterprises may not sever mineral materials until they have been issued a BLM Mineral Material Permit. Please include BLM serial number COC77226 in any correspondence.

If you have any questions, please contact Jennifer Maiolo at (970) 826-5077.

Sincerely,

for Bruce Sillitoe
