RE: Bonanza Land; DRMS File No. P-2017-006; Notice of Intent to Conduct Prospecting Operations; Incomplete Application

Dear Mr. Knudson,

On April 24, 2017, the Division of Reclamation, Mining and Safety (Division) received an incomplete Notice of Intent to Conduct Prospecting Operations (NOI) for the Bonanza Land prospect in Clear Creek County, File No. P-2017-006. The following must be received by the Division before the NOI is considered filed and review may begin:

1. Pursuant to Rule 5.3.3(1), upon filing a NOI, the Prospector shall provide Financial Warranty in the amount of \$2,000 per acre of the land to be disturbed, or other such amount as determined by the Office. The Applicant indicated the total disturbance would be one acre; therefore, a Financial Warranty in the amount of \$2,000 must be submitted.

Please be advised that if these items have not been addressed within sixty days of the date of this letter (June 25, 2017), the Division may terminate the NOI Application in accordance with Rule 5.1.3(c) of the Mineral Rules and Regulations of the Mined Land Reclamation Board. The Division's notification process, review period of the NOI and associated Financial Warranty, and the public comment period will not commence until this information is submitted by the Applicant.
