To: "Peter.Hays@state.co.us" <Peter.Hays@state.co.us>

We have a huge problem with the water. As of Friday April 14 the Rodman property has no water from pump #2 which supplies the homes. The pump that supplies water to the house is now cavitating. At this time the house is uninhabitable.

He will be notifying the city on Monday morning.

Your prompt response would be greatly appreciated.

Thanks

Roxanne Prather
