Re: Berthoud Sunset Quarry, M-1994-080, Notice of Required Surety Increase, SI-02

Dear Mrs. Sprague,

On May 1, 2017, the Division of Reclamation, Mining and Safety increased the current Financial Warranty required for this permit to \$38,122.32, in accordance with Rule 4.2.1 of the Rules and Regulations. This is an increase of \$3,322.32. Please see the April 17, 2017 inspection report for details regarding why this surety increase is required.

The Division ordered amendment of the current Financial Warranty, or submittal of a new Financial Warranty reflecting this increase is due by **June 30, 2017**. If you wish to submit a different type of Financial Warranty, please contact me so I may send you the applicable form.

The Permittee for this site may be scheduled for a Formal Board Hearing for possible revocation of the permit after June 30, 2017, if the amount of any increased Financial Warranty has not been provided.

If you have any questions, please contact me at (303)866-3567 x8120.

Sincerely,

Jared Ebert
