Abe,

I acknowledge receipt of your extension request for SO-1 for the B & G Stone permit. Since you didn't specify how much time you want for the extension, I approved 30 days like you requested for the 1st extension. This gives you a new deadline of 5/21/17 to submit all required completeness items for this revision.

I'm copying Barbara Coria on this email to keep her in the loop.

Thanks,

Amy Eschberger
