Acreage Reduction Approval; Permit No. M-2016-033; Revision No. AR-01**

Mr. Van Valkenburg:

On May 24, 2017, the Colorado Division of Reclamation, Mining and Safety (Division/DRMS) approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 9.335 acres, through the release of 0.333 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, please contact me at peter.hays@state.co.us or (303) 866-3567 Ext. 8124.
