Dear Tim,

Per our conversation concerning review of the Midway Technical Revision 2, Midway Aggregates is requesting an additional 60 day extension to the review period. I am having computer issues and as an alternative for communication, please contact Marty Thomas, General Manager at Marty@kirklandconstruction.us or (719) 251-6937 until the computer issue is resolved.

If you have questions or require additional information, please call.

Sincerely

Midway Aggregates, RLLP

David King
