**Re: B & G Stone Site, Permit No. M-1987-092, Succession of Operator Denial, Revision No. SO-1**

Dear Mr. Vasquez:

On May 24, 2017, the Division of Reclamation, Mining and Safety denied the succession of operators from Jordan C and Jone L Burdick for this operation. As of the due date of May 21, 2017, none of the required permit documentation as well as the Application for Transfer of Mineral Permit fee of \$144.00 have been received since the Application submittal date of December 20, 2016, with two approved extension dates, to May 21, 2017.

Jordan C and Jone L Burdick are still the permitted operator of the B & G Stone Site, and as such, are responsible for all provisions in Permit No. M-1987-092, as well as those specified in the Rules and Regulations.

If you have any questions, please contact me.

Sincerely,

Amy Eschberger  
Environmental Protection Specialist
