Re: Hubbs Pit, Acreage Reduction Approval, Permit No. M-1987-088, Revision No. AR-1

Dear Ms. Hubbs:

On June 1, 2017, the Colorado Division of Reclamation, Mining and Safety approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 28.52 acres, through the release of Phase IV, 10.31 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees. Effective immediately the northern most extent of the permitted area lies on the south side of County Road 133.

If you have any questions, please feel free to contact me at the Division's Grand Junction Field Office, by phone at (970)-243-6368 or by email at lucas.west@state.co.us.

Sincerely,
