The purpose of this inspection was to determine the status of the above listed NOI as well as NOI No. P-2012-007 which is in the similar area and held by the same Operator. Division Staff attempted to gain access to the site however approximately 3.5 Miles up Forest Service Road 567 the conditions were impassible. Photo One shows the road which was obstructed by 2 to 3 foot snow drifts. Division staff will attempt a follow up inspection at a later date when conditions allow.
