RE: Robinson Sons Gravel Pit No. 1; DRMS File No. M-2008-076; Notice of Past Due Civil Penalty

Dear Mr. Robinson,

On February 23, 2017, the Mined Land Reclamation Board (Board) found Robinson Sons, Inc. in violation of section 34-32.5-109(1), C.R.S. for engaging in a mining operation without first obtaining a reclamation permit. A copy of the signed Board Order was mailed to you on March 14, 2017, in which you were notified that the unsuspended portion of the civil penalty (\$3,066.40) was due and payable within 30 days of the effective date of the Board Order. The unsuspended portion of the civil penalty was to be submitted to the Division on or before April 13, 2017.

The Division attempted to contact you by telephone on April 13, 2017 and a voicemail was left informing you that the deadline for submitting the unsuspended civil penalty had arrived without receipt of payment. A second attempt was made to contact you by telephone on June 1, 2017, the Division was unable to leave a voicemail during this call. This letter serves as your final reminder that the unsuspended civil penalty is past due and must be submitted to the Division immediately.

If you have any questions, please contact me at (303)866-3567 x8116.

Sincerely,

Michael A. Cunningham
Environmental Protection Specialist

CC: Wally Erickson, DRMS
