RE: Hayden Gravel Pit, Permit M-1987-164, Incomplete Application for Transfer of  
Mineral Permit and Succession of Operators, Revision SO-01

Dear Mr. Burkey,

On June 12, 2017 the Division of Reclamation, Mining and Safety received the following additional documentation for the Application for Transfer of Mineral Permit M 1987-164, Hayden Gravel Pit:

1. Right of Entry:
  - a) For the subsurface portion on CWH property, included was a statement that the mineral permit with the State Land Board will remain under Connell control and included was mineral lease agreement between Connell and Oldcastle.
2. Structure Agreements: a master list of all structures within the permit and who owns that structure.

The following previously identified items remain incomplete for the application to be processed:

1. Right of Entry:
  - b) Agreements for Giacomo Camilletti and Todd Camilletti as soon as they are completed.
2. Structure agreements for the follow as soon as they are completed:
  - a) Todd Camilletti-Fence and access road
  - b) Giacomo Camilletti- Fence
  - c) BZ&W, Inc. & Grandmothers, Inc.- Fence
  - d) Michael and Connie Bell- Fence and access road
  - e) Robert Williams Trust- Fence and access road
  - f) Colorado Department of Transportation- US Highway 40 and fence

Please return the required documentation to the Division before **August 10, 2017** to complete the application for approval. All completed permit documents are required to be submitted for consideration of your Request for Transfer of Mineral Permit and Succession of Operators Application. An incomplete application will be denied after the 60 day submittal request, if requested documents or information are not received. If you have any questions, please contact me at 303 866-3567 ext. 8183.
