Hello, Tom

We are coming up on decision due dates for your renewal and a couple revisions. Can you request extensions per the following?

RN-07 is due tomorrow - another month from now would be appropriate, I think.

MR-45 is due on June 21st - please ask for about two weeks for us to further review the geochem materials analysis.

TR-20 is due on June 22nd - please ask for another ten days. I am still waiting to hear from our attorney.

Thank you.
Rob
