Ron -

FYI: Jim Stark and I met with the Division of Water Resources today about TR-71, your ponds, and the decree related to New Elk water supplies (2013CW3000). The engineer that we met with is going to talk more to the Division Engineer and Commissioner and hopefully get back to me this week.

Thanks for your patience.

FYI: DWR is telling me that they will not get comments from all of their folks for a week or two.

Rob,

Please extend the review time for TR-71 to July 31, 2017 to allow sufficient to receive and respond to comments from DWR.

Regards,

Ron
