RE: Rock Pit Mine M-1985-082

Amy, following is the response to your letter dated 6-8-17:

- 1) Enclosed is the map showing the scale and scale house location.
- 2) No additional roads will be constructed to access the scale and scale house.
- 3) Yes the scale and scale house will be removed upon final reclamation. The scale is 11' x 70' and sets on 4 concrete piers that measure 4' x 12' and are 12" in the ground. The scale house will be a 10' x 20' wood frame house that sets on the ground.
- 4) The crusher to be used will be a mobile jaw crusher and will not utilize any concrete pads.

Sincerely,

Steve Baker
