**Re: Wagner/Kauffman Pit #3, Permit No. M-1999-069, Notification of Administrative Revision, Revision No. AD-01**

Mr. Giroux,

On June 27, 2017, the Division of Reclamation, Mining and Safety (Division) issued an Administrative Revision (Revision No. AD-01) for Permit No. M-1999-069, addressing the following:

*Revision to acreage amount as reported in Acreage Reduction No. 6 (Revision No. AR-06) which was intended to release all remaining Phase 1 acreage on land owned by Flying W Ranch Loveland LLC. This revision does not change the approved permit boundary, but corrects the permit acreage to match what was released in Revision No. AR-06, which was 26.5 acres rather than 8 acres. This revision corrects the permit area from 203.5 acres to 185 acres.*

The terms of Revision No. AD-01 as approved by the Division are hereby incorporated into Permit No. M-1999-069. All other conditions and requirements of Permit No. M-1999-069 remain in full force and effect.
