Re: Ready Mix Pit, Acreage Reduction Approval, Permit No. M-1977-023, Revision No. AR-1

Dear Mr. Siegmund:

On June 16, 2017, the Colorado Division of Reclamation, Mining and Safety approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 51.00 acres, through the release of 10.60 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, please contact me.

Sincerely,

Dustin M. Czapla
Environmental Protection Specialist
