***RE: Valdez Gravel Mine, Permit No. M-1991-133, Unresolved Problem(s) Noted in a Past Inspection Report***

Mr. Robins:

According to records kept by the Division of Reclamation, Mining and Safety, some problem(s) noted in a past mine site inspection report have not been corrected.

Please see the enclosed inspection report for the above noted mine site, issued as a result of a past inspection of this site. Problems noted in this report that remain unresolved according to our records, have been highlighted.

To avoid potential future enforcement actions for non-compliance with State Statutes, Rules and Regulations, and/or conditions specified in your permit for this site, you must submit compliance documentation with the corrective actions specified for each of the indicated problems by **Friday, July 28, 2017**.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,
