**Re: Receipt of Corrective Action Documentation, Red Jasper Granite, Permit No. M-1982-200**

Dear Mr. Tezak,

The Division received your response in regards to a remaining Compliance Problem identified in the April 19, 2017 inspection report of the Red Jasper Granite. The status of the corrective action is listed below.

- **COMPLIANCE PROBLEM #2:** The site is not in compliance with applicable Colorado water laws pursuant to Rule 3.1.6(1)(a). Stormwater is intercepted at the site and not being released to the stream system within 72 hours.
  - On July 3, 2017, the Operator's submitted photographic documentation showing the site has been regraded to not allow storm water to be impounded; **this problem has been resolved.**

If you need additional information or have any questions, please contact me at Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at **303-866-3567 x8132**, or by email at [elliott.russell@state.co.us](mailto:elliott.russell@state.co.us).

Sincerely,

Elliott R. Russell  
Environmental Protection Specialist
