Gentlemen:

I hereby file a formal complaint against mine M2015017 Sullivan Pit/JRS Mining.

This mine is operating without approved/signed satisfactory completion of Administrative Review of Mining Activities by Park County Planning Department.

This has been verified with Park County Planning Department in documents provided to me under the Colorado Open Records Act.

This is a violation of Park County land use regulations, as well as Colorado statutes requiring all mines to maintain compliance with all applicable local laws regulations and ordinances.

Thus, JRS Mining is in violation of C.R.S. 34-32.5-115(4).

A similar complaint will be filed with Park County.

Respectfully submitted,
Robin Rindsig
