Re: Hay Camp Pit, Acreage Reduction Approval, Permit No. M-1990-025, Revision No. AR-8

Dear Mr. Englehart:

On July 25, 2017, the Colorado Division of Reclamation, Mining and Safety **approved** your request for release of a portion of the permit area from further reclamation responsibility. The permit area was reduced to **354.50 acres**, through the release of **21.80 acres** in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees. Please submit a new map, reflecting the change in the permitted area.

If you have any questions, please feel free to contact me at the Division's Grand Junction Field Office, by phone at (970)-243-6368 or by email at lucas.west@state.co.us.

Sincerely,
