RE: Wagner/Kauffman Pit #3, Permit No. M-1999-069, Withdrawal of Acreage Reduction Request, Revision No. AR-7

Mr. Giroux:

On July 26, 2017, the Division of Reclamation, Mining and Safety (Division) received your request to withdraw the Acreage Reduction request (AR-7) filed for the above referenced permit on June 1, 2017. Therefore, your AR-7 request has been withdrawn. The Division understands the operator intends to use the topsoil currently stockpiled in the area that was proposed for release before submitting another acreage reduction request.
