RE: Chartier Pit; DRMS File No. M-1984-140; Amendment Approval; Revision No. AM-01

Dear Mr. Chartier,

On April 11, 2012, the Division of Reclamation, Mining and Safety (Division) approved the Amendment application submitted to the Division on November 21, 2011, addressing the following:

Increase permitted acreage by 1.5 acres, for a total permit area of 9.9 acres.

The terms of Amendment No. 1 approved by the Division are hereby incorporated into Permit No. M-1984-140. All other conditions and requirements of Permit No. M-1984-140 remain in full force and effect.

The estimated liability of \$2,500.00 exceeds the \$1,639.00 performance bond currently held. If you have not already done so, please submit additional bond in the amount of \$861.00. The revision will not be final until the bond is approved by the Division.

If you have any questions, you may contact me at (303)866-3567 x8116.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael A. Cunningham".

Michael A. Cunningham
Environmental Protection Specialist
