Reclamation Permit Conversion Application, CN-1, Approval Letter – Financial Warranty
Request***

Dear Mr. Wagner:

On August 8, 2017, the Division of Reclamation, Mining and Safety conducted a Pre-hearing Conference in Craig, CO. The objector to the above listed conversion application submitted a Party Status Withdrawal form at the conference. Therefore, pursuant to Rule 1.4.8(1) the Division shall issue a decision on the application rather than set it for a formal public hearing before the Mined Land Reclamation Board.

On July 11, 2017, the Division has determined that the 112(c) Conversion Application for the above listed site has met the requirements of Rule 6.4 or the Rules for the Extraction of Construction Materials as well as Section 34-3.25-101 *et. Seq.* Therefore, the Division is approving the 112(c) Reclamation Permit Conversion Application for the Wagner Rock Pit, File M-1999-018.

The amount of financial warranty set by the Division for this operation is an amount of **\$48,307.00**. The Reclamation Cost Estimate Worksheets were delivered to you on August 8, 2017. This is an increase of **\$12,966.00** over the **\$35,341.00** currently held by the Division. **The new required amount must be received within 30 days of the date of this letter. The Financial Warranty must be received and accepted by the Division no later than Friday September 8, 2017.**

Please make arrangements with Barbara Coria at the Division of Reclamation, Mining and Safety Denver Office, phone no. 303-866-3567, ext. 8148 for submittal of the financial and performance warranties. Any questions regarding completion, execution and/or submittal of financial and/or performance warranty forms should also be directed to Barbara Coria.

If you require additional information, or have questions or concerns, please feel free to contact me at the Division's Grand Junction Field Office, by phone at (970)-243-6368 or by email at lucas.west@state.co.us.
