Limon, CO 80828

RE: Dill Mine, SW4 of Section 28, Township 9 South, Range 57 West, Elbert County, Colorado

To Whom It May Concern:

Colorado Interstate Gas Company, LLC. (CIG), is the owner and operator of a high pressure natural gas pipeline which crosses the above noted property and is within 200 feet of Dill Mine's proposed mining operation's affected land. CIG has evaluated the impact on the pipeline from the Dill Mine's reclamation operations and do not see a significant impact as this operation does not encroach or impact any of the CIG facilities, as depicted in the attached Pre-Mining And Mining Plan reference DWG date July 25, 2017. CIG has no objection to the mining operation or the use of the access road pending that no blasting occurs within 300 feet of the CIG facilities; Peak Particle Velocity (PPV) shall not exceed 4 inches per second; the minimum time delay between the detonations of charges shall be no less than 8 milliseconds; and the frequency caused by the detonation of explosive charges shall not drop below 25 hertz without the review and approval of a blasting plan by CIG.

Pipeline Owner Name:

Colorado Interstate Gas Company, LLC.

Floyd C. Robertson
Attorney In Fact

State of Colorado)
)ss
County of El Paso)

The foregoing was acknowledged before me this 8th day of August 2017 by:
