RE: Colona Gravel Pit, Permit No. M-1994-005, Technical Revision (TR-6) Approval

Mr. Siegmund:

On April 27, 2017 the Division of Reclamation, Mining and Safety (Division) approved the Technical Revision request (TR-6), addressing the following:

Backfilling current excavation on the south portion of the permit area to two feet above groundwater and topsoiling with material imported from the Haldorson Pit, and to revegetate the area with dryland seedmix.

The terms of the TR-6 approved by the Division are hereby incorporated into Permit No. M-1994-005. All other conditions and requirements of the permit remain in full force and effect.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

Dustin Czapla
