Re: King Coal Mine, Final adequacy letter for RN-07

Dear Mr. Bird:

The Division received your responses to my adequacy items in two letters dated July 12, 2017 and August 14, 2017. I have found that your responses, including any related permit application package (PAP) revisions, are sufficient. No further GCC Energy action is required regarding the RN-07 adequacy items.

If you have comments or questions, please contact me at Rob.Zuber@state.co.us or 303.866.3567 (x8113).

Sincerely,

Robert D. Zuber, P.E.
