Re: 22 West Pit, File No. M-2017-032
Receipt of 112c Construction Materials Reclamation Permit Application

Dear Mr. Tomky:

On August 18, 2017, the Division of Reclamation, Mining and Safety (Division) filed for review your 112c Construction Materials Reclamation Permit application for the 22 West Pit, which is located in Otero County. All comment and review periods began on August 18, 2017. The decision date for your application is scheduled for November 16, 2017.

Newspaper publication of a notice (published once a week for four consecutive weeks) regarding the filing of your application and transmittal of a copy of the notice to all owners of record of surface and mineral rights of the affected land, and owners of record of all land surface within 200 feet of the boundary of the affected lands is required within 10 days of filing. You must submit proof of the notice and mailings, such as Certified Mail Return Receipt Requested, to the Division prior to the decision date.

The Division is reviewing your application to determine whether it is adequate to meet the requirements of the Act and Rules. We will contact you if additional information is needed. Any changes or additions to the application on file in our office must also be reflected in the public review copy which has been placed with the Otero County Clerk and Recorder.

Please be reminded that all operators must contact the Colorado Department of Health, Water Quality Control Division regarding storm water permits.

If you have any additional questions, please call me at (303) 866-3567, ext. 8129, or email me at amy.eschberger@state.co.us.

Sincerely,
