To Whom It May Concern:

CenturyLink is the owner/operator of a fiber-optic/Copper telephone lines which are in the US Highway 24 right-of-way and within 200 feet of the proposed expansion of the Tracy and Ed Grimes mining operation's affected land. We have evaluated the potential impacts on the fiber-optic/telephone lines from the Tracy and Ed Grimes mining and reclamation operations and do not see a significant impact. We have no objection to their mining operation.
