Dear Ms. Brossman:

On August 28, 2017 the Division of Reclamation, Mining and Safety approved the Conversion application submitted to the Division on March 13, 2017, addressing the following:

*Add 10.49 acres pursuant to 10/21/2016 Board Order, resulting in 19.99 permitted acres*

The terms of the Conversion No. 1 approved by the Division are hereby incorporated into Permit No. M-2000-018. All other conditions and requirements of Permit No. M-2000-018 remain in full force and effect.

A replacement Performance Warranty is required in order to issue the conversion. Please sign the enclosed Performance Warranty and return it to the Division for the Director's signature. Once the Director signs it, the completed Performance Warranty will be returned to you.

**PLEASE NOTE THAT MINING OPERATIONS IN ADDITIONAL AREA MAY NOT COMMENCE UNTIL AFTER THE DIVISION RECEIVES YOUR PERFORMANCE WARRANTY.**
