RE: Leyden Pit; DRMS File No. M-1983-139; Corrective Action Extension Approval

Dear Ms. Bilisoly,

The Division has received and approved the request for an extension of the corrective action dates associated with the above referenced operation. The new corrective action dates are:

1. The operator shall demonstrate that the operation is in compliance with the Office of the State Engineer, show evidence that the operator is taking measures to bring the site into compliance with the SEO, or backfill the pits to at least two feet above the groundwater surface by the corrective action date specified. (**November 14, 2017**)
2. Prior to conducting any mining or reclamation activities within 200 feet of the electrical line infrastructure, the Operator shall provide a notarized agreement with the person(s) having an interest in the structure, that the Operator is to provide compensation for any damage to the structure. (**November 14, 2017**)

If you have any questions, please contact me at (303)866-3567 x8116.

Sincerely,

Michael A. Cunningham  
Environmental Protection Specialist
