Re: The Rise Above, Permit No. M-2014-054;  
Notice of Inspection

Dear Ms. Adkins:

On September 8, 2017, the Division of Reclamation, Mining and Safety (DRMS) attempted to contact you via telephone to let you know we would be in the area of The Rise Above for a joint inspection with the US Forest Service. The phone number in our records (719-568-0373) was not set up for voice messages, so I am sending you written notice of our planned inspection.

We have arranged vehicle access and will be meeting at the Crystal Park gate entrance at 10:00am on September 21, 2017. Your presence for the inspection would be helpful. I hope you can make this time work with your schedule.

If you have any questions, please contact me at (303)866-8567 x8169.

Sincerely,

Timothy A. Cazier, P.E.  
Environmental Protection Specialist
