RE: Silent Hill; DRMS File No. P-2015-007; Release Request Denial (SL01)

Dear Mr. Miller,

On September 11, 2017 the Division of Reclamation, Mining and Safety considered your request for release of further reclamation responsibility and release of financial warranty for the Silent Hill NOI. The Division found that reclamation had not been accomplished at this site and denied this request. Please review the attached inspection report for the specific reasons for the release denial. In addition, if you have past due annual fees or unpaid civil penalties, your performance warranty cannot be released.

If you have any questions, please contact me at (303)866-3567 x8116.

Sincerely,

Michael A. Cunningham  
Environmental Protection Specialist
