**Re: SerFer Pit, Permit No. M-2008-006, Financial Warranty Release Denial,  
Revision No. SL-1**

Kevin Anderson:

On September 15, 2017 the Division of Reclamation, Mining and Safety considered your request for a financial warranty release. The Division found that reclamation had not been accomplished at this site and denied this request. Please review the attached inspection report for the specific reasons for the financial warranty release denial. In addition, if you have past due annual fees or unpaid civil penalties, your financial warranty cannot be released.

If you have any questions, please contact me.

Sincerely,

Jared L. Ebert  
Environmental Protection Specialist
