Adequacy Review Response Extension Request

Dear Peter:

The purpose of this letter is to request a 30-day extension on the September 22, 2017 deadline to respond to your September 5, 2017 third adequacy review of the recent amendment application submitted on behalf of Martin Marietta Materials, Inc. (Martin Marietta) for the Duckworth Pit (DRMS Permit No. M-2003-091). If you have any questions about this request, feel free to contact me.

Cordially,
Applegate Group, Inc.
