RE: Goldpark King No. 1; DRMS File No. P-2017-011; NOI Approval with Financial
Warranty Due

Dear Mr. Spielman,

The Division has completed the review of your Notice of Intent to Conduct Prospecting (NOI) application. The NOI application was approved on September 26, 2017. The required financial warranty amount is \$5,290.00. The financial warranty must be submitted on a Mined Land Reclamation Board approved form. Copies of financial warranty forms can be obtained through the Division's website at www.mining.state.co.us.

Please be advised that you may not commence operations until the financial warranty has been submitted and accepted by our office. You will be notified in writing when it is accepted. If we do not receive the required financial warranty within 60 days of the date of this letter, then the NOI may be terminated.

Since this project is located on Bureau of Land Management (BLM) managed land, proper approvals must still be obtained from the BLM. If the BLM places any requirements or limitations on this project that differ from those currently approved by the Division, then please contact this office so the NOI may be modified and the bond amount reviewed.

If you have any questions, please contact me at (303)866-3567 x8116.

Sincerely,

Michael A. Cunningham
Environmental Protection Specialist
