Re: Dotsero Quarry, Acreage Reduction Approval, Permit No. M-1987-074, Revision No. AR-1

Dear Mr. Welte:

On September 27, 2017, the Colorado Division of Reclamation, Mining and Safety approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 13 acres, through the release of 52.5 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, please contact me at 970-241-2042.

Sincerely,

Travis Marshall
Environmental Protection Specialist
